Justin:

Sorry for the delay but we have been told that a Pavillion Fact Sheet should not be developed by ORD but should be directed to Region 8. Please ask Region 8 to do this for Bob P.

Thanks

**Subject:** Need Fact Sheet (Q&A) on Pavillion Hydrofracking by COB April 17th  
**Importance:** High

All,

Apparently, there is some Hill concern about Pavillion Hydrofracking; so, Bob P. has requested a

fact sheet on the status of Pavillion Hydrofracking and what we are doing with the dollars. Also, why air emissions are important. We need this by COB tomorrow.

Thanks,

Justin Monroe
